The Rip Van Wiukle club gave the second of its series of assemblies Friday evening in Washburn hall. The affair was one of the best ever given under the auspices of the club, and was immensely enjoyed by the 50 couples present. Music was furnished by Helmold's orchestra.

Chaplin Man in Trouble,

Jerry Sullivan of Chaplin was in court and pleaded guilty to intoxication and breach of the peace. From what could be gathered he was in bad company Thursday evening and got a trifle too far under the weather and began to talk someswhat loud as well as utter unplasant oaths on Main street, a little before 9 o'clock. Policeman Enander gave him a chance to mouch along, but the man then directed his foul talk to the officer, with the result that there was a struggle in the middle of the street. He was fined \$5 and costs for the first charge and sentencd to thirty days in jail on the latter. At intermission an elaborate lunch-eon of salad, finger rolls, macaroons, fancy cakes, frozen pudding, claret punch and coffee was served by Cater-er E. L. Prince.

The assembly was arranged by this committee: C. C. Case, Jay M. Shep-ard, Samuel Chesbro, M. D. Pollard, A. N. Coigrove, John E. Brick, George S. Eillott and Dr. D. E. Taylor.

Under Southern Skies was the matinee and evening attraction at the Loomer Opera house Friday, and its presentation was greeted with good sized audiences, particularly the evening. The production is one that appeals to all, and was the same satisfying piece that has pleased Willimantic people in the past. The entire cast was especially well balanced and the principals assumed their respective roles with marked finesse. Augustus C. Tyler camp, No. 8, U. S. W. V., appointed Comrade L. J. Haggerty a member of the special entertainment committee for the camp's carnival. Various other committees reported and showed that plans for the carnival are progressing admirably. A feature of the event will be military night. There will also be a firemen's night, when representatives from the various companies will assist the Spanish War Veterans iz the entertainment of their guests. It was voted by the camp that badges be purchased and presented all past commanders. Camp Commander, Thomas Joyce was named a committee to procure the badges which will be presented Past Camp Commanders Captain James Cochrane, Captain J. B. Paulhus, Captain Frank P. Fenton and Timothy McNamara, probably at the second meeting of the camp in April.

A special meeting of A. C. Tyler camp is to be held Sunday afternoon, when further plans for the carnival will be perfected.

Malt Whiskey Has Projonged His Life Pive Years. It Relieved and Strengthened Him When Nothing Else Did Rim Any Good.

"I have been taking Duffy's Pure Malt Whiskey for six or seven years for Bronchitis, which I have had for about twelve years. Before this I tried doctors and everything else, but nothing did me any good. Duffy's Pure Malt Whiskey was recommended to me, as it would benefit me and would build up my whole body and system. I com-menced taking it and found that it did me more good than all the medicines I had taken in the past.

"I think Duffy's Pure Malt Whiskey the best thing that a man can take to build himself up and prolong his life, as I am in my seventy-eighth year and had I not taken Duffy's Pure Malt Whiskey six or seven years ago I believe I should have been in the ground five years ago. I find it is the most invigorating medicine I can take, and I want the people of the world to know what it is doing for me."—J. M. Ellett, 608 23rd Street, Richmond, Va.
